

Five for Five

**Contest designed to increase
your cookie sales...**

How does Five for Five work:

- Customers who buy 5 or more packages of cookies at one time receive one Strive for Five ticket for every 5 packages.
- Customers fill out the ticket and give it back to the Girl Scout, who turns it in to her troop with her cookie order form.
- The troop must turn in any completed tickets to their local regional center by the final cookie payment due date.
- One winner will be drawn at each regional center.
- Winner will receive 5 cases of cookies (their choice of variety).
- The girl and troop listed on the winning ticket will also receive a prize.
