

You're invited to join our troop!

Is your girl looking to make new friends, get active in her community, and have fun? Then Girl Scouts is the place for her! In Girl Scouts, your girl will shine in confidence-boosting, girl-approved exciting experiences. She'll get moving as she engages in enriching programs that blend critical life skill development with activities that support academic success. From learning about STEM, the outdoors, and life skills to changing the world—Girl Scouts explore, grow, and do amazing things as they connect with each other, their families, their communities, and their world.

You're invited to join our troop at our next troop meeting:

Meeting date and time:

Meeting location:

This troop is for girls in grades:
