Take part in the Detroit Red Wings "Stick with the Wings" Girl Scout Program. All Girl Scouts earn a special commemorative Detroit Red Wings patch after completing various skill, team building and strategic stations conducted by select University of Michigan Women's Hockey Team players on the concourse before the Red Wings Game played at the Joe Louis Arena.

Skill training includes basic stick handling and passing (no previous training necessary). Team building lessons include sportsmanship and leadership. Strategic sessions consist of rules of the game and player positions. This event is perfect for Girl Scouts of all ages. ***This is an experience no Girl Scout should miss!***

Tickets for the Girl Scouts Heart of Michigan "Stick with the Wings" event, commemorative patch and Red Wings game to follow are just \$30 per ticket (reg., \$43). The pre-game clinic is for Girl Scouts but family and friends are encouraged to join in the fun. This is a Bring-A-Friend event!

\$5 parking is available in the Joe Louis Arena Parking Structure. Little Caesars concession stand will be open during the pre-game. There is no re-entry for this event. Everyone entering the building must have a ticket.
