Girl Scouts Heart of Michigan QSP/Nut program Rewards "Opt Out" Form

Receive an additional 2% in troop proceeds, instead of individual girl rewards:

- Only Junior, Cadette, Senior and Ambassador troops qualify. Includes multi-level troops if all girls are Junior or above.
- Troops choosing this option will still receive patches earned by the girls.
- Participation is a girl decision and must be made prior to the program start date.
- Requires an unanimous vote by girls in the troop. Girl voting should be anonymous.
- The decision applies to the entire troop.

Date

- All parents must be notified of the troop decision and that their daughter will not receive incentives.
- This form must be completed and turned in with the troop product order. Troop # from Area (Service Unit) # hereby acknowledges that, as a group, we have decided to choose the alternate reward option for the QSP/Nut Program. We understand that our troop will receive a proceeds increase of 2% of sales (for a total of 16% of sales) rather than the girls in the troop receiving individual rewards (except patches). We affirm that the decision to choose the alternate reward option was made solely by the girls, prior to the program start date, and that their decision was unanimously made as a result of a free and open group discussion absent of undue adult influence; and that all members of the troop and parent understand the option parameters.
