Girls learn 5 lifelong skills...

The Girl Scout Product Program is essential to a Girl Scout's journey and experience. Not only is it her first introduction to the world of business, she will also develop 5 key leadership skills that she will use throughout her life! She will experience her own adventure and travel, be involved in her community, lead her fellow Girl Scout sisters, and more!

- 1. Goal Setting:** Setting and tracking personal learning goals and troop sales goals for troop activities, including service projects.
- 2. Decision Making:** Staying safe in all situations, creating a business plan, determining sales strategies, addressing customer needs and knowledge of product.
- 3. Money Management:** Using tracking tools, budgeting and handling money.
- 4. People Skills:** Marketing, selling, reaching new customers, and working as a team.
- 5. Business Ethics:** Applying the Girl Scout Promise and Law to selling, customer service, and working with others.

Drawing!

Set up your store with your avatar, personalized message, and send at least 18 emails by September 15 to be entered to win this awesome penguin sleeping bag! But wait, there's more! There will be an additional drawing on October 15. The Saginaw Region's deadlines will be December 15 and January 15.

Don't miss out!

No sales necessary. At least two winners per region. Winners will be notified by a Girl Scouts Heart of Michigan representative and posted online.

How the snacks stack

All Treats & Reads proceeds stay in Girl Scouts Heart of Michigan to support Girl Scouting in your area. Including: financial assistance, program events, trainings, and maintenance and enhancement of Girl Scouts Heart of Michigan camps and properties.

In order for her to be successful, she also needs the support of her family:

Here are some tips for helping your Girl Scout:

- Ask questions
- Listen
- Never do things for her that she can do for herself
- Talk to her about what she learned each day
- Have fun with her

When your Girl Scout participates in the Girl Scout Product Program with your support, the world is at her fingertips.

She can do anything!
