Reason for disbanding: ______________________________________________

Checklist:

- Notify your Area Manager and Membership Specialist if you intend to disband.
- If the girls want to continue as a troop, determine if a parent or guardian is willing
to take over leadership of the group. If so, refer potential leader to Area Manager or
Membership Specialist for proper volunteer interview, screening and placement
process.
- If not, complete the Disbanding Troop Roster, indicating each girl’s interest in
continuing with Girl Scouts in a different troop or pathway.
  - Contact your area manager and your membership specialist for assistance in
    placing girls in new troops and providing them information about participating
    in different pathways.
- Make sure each girl is aware that other troops and pathways are available.
- Help girls decide how they want to disburse troop equipment – give to a new troop,
donate to the area or give to the nearest regional office for distribution to girls in need.
- Help girls decide how the remaining troop funds will be used – troops may choose to
donate funds to Girl Scouts Heart of Michigan, to another troop, the area, another
worthwhile organization or use them for an appropriate Girl Scout activity. Remaining
funds may never be distributed to girls or families.
- Verify all outstanding checks have cleared the troop bank account.
- Complete the Annual Troop Finance Report.
- Close the troop bank account.
- Submit paperwork to the nearest regional office
