

Girl Scouting is a great place for both of you.

Girl Scouts celebrate the anniversary of our founding during Girl Scout Week, March 7 through 13, 2021. During Girl Scout Week, girls have the opportunity to partner with their local places of worship to participate in a service and be recognized as a Girl Scout.

Girl Scouts make a big difference in their local communities, starting with their own churches and places of worship. Girl Scouting is based on the Girl Scout Promise and Law, which include principles and values common across many religions. Girl Scouts are encouraged to deepen the connection between the Girl Scout Law and their faith through religious recognitions and programming. Girl Scouts Heart of Michigan has had strong partnerships with local churches for decades, and we could use your help to make these relationships stronger.

Girls need adults in their lives to lead, mentor, and guide. Adult volunteers advise girls along their personal faith journey and help them strengthen their own understanding of their faith, all while having fun and making lifelong friends. Be an inspiration, learn new skills, and make friends and business contacts.

Be a Girl Scout volunteer!

Girls who explore the values of the Girl Scout Promise and Law and corresponding tenets of their faith can receive the “My Promise, My Faith” pin from Girl Scouts Heart of Michigan.

Girl Scouting welcomes girls of all faiths, encouraging them along their spiritual journey. To find out how the girl in your life can take her first steps, contact gshom@gshom.org or call 800-497-2688.

The Girl Scout Promise

On my honor, I will try:

To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

The Girl Scout Law

I will do my best to be

Honest and fair,
Friendly and helpful,
Considerate and caring,
Courageous and strong, and
Responsible for what
I say and do.

And to

Respect myself and others,
Respect authority,
Use resources wisely,
Make the world a better place,
and
Be a sister to every Girl Scout.
