## **Scholarship Application** for Girl Scouts Heart of Michigan Camp Program Fees

Girl Scouts Heart of Michigan provides scholarships for registered girl members. This assistance is to help meet the cost of participating in councilsponsored (facilitated or sponsored by Girl Scouts Heart of Michigan) camp programs, including overnight and day camp opportunities.

## Scholarships are granted by need and the availability of funds.

Please submit a separate application for each girl. Be sure all requested information is complete. Return this application with the camp registration for the camp you are requesting assistance. All overnight and day camp applicants are required to pay a \$50 deposit per program. Troop and family camp applicants, please include a \$15 deposit per girl. We encourage applicants to contribute back to the financial assistance fund whenever possible.

All personal information is kept confidential, except the two marketing questions, which may be used to help raise money to increase the number of girls receiving the benefit of Girl Scout camp.

Note: This form MUST accompany the camp registration form for which assistance is requested.
