

## Fantastic Fall!

*Fun, fall programming you don't want to miss!*

### Happy Trails b

Sat, Oct 15 | 10:00 to 11:30 a.m. | Midland

Have you ever hiked in the woods? Hit the trails and explore together through games and activities learning what gear to pack, how to pick a trail, and practice our observational skills. Participants will complete part of the It's Your Planet Journey. *This program will spark interest in the following career paths: outdoor, camp, ranger, park and recreation.*

### Financial Literacy Frenzy db

Sat, Oct 15 | 9:30 to 11:30 a.m. | Kalamazoo

Have you ever wanted your own debit card? Well now you get to try one out! Join Honor Credit Union for a fun-filled morning while learning about financial literacy. *This program will spark interest in the following career paths: financial planner, accountant, financial advisor.*

### Spooky Science fdbjcsa

Tue, Oct 18 | 5:30 to 7:30 p.m. | All Regions

You're invited to a Mad Hatter's Tea Party! The teacups are exploding, the tea is changing color, the clocks are running backwards, and we need your help to get to the bottom of it! Do hands-on experiments to explore the science behind all the madness!

*This program will spark interest in the following career paths: chemist, engineer, biologist.*

### Trail Adventure dbj

Sun, Oct 23 | 10:00 a.m. to 12:00 p.m. | Lansing

Take a hike through beautiful Michigan. While on the hike search, find different colors in nature, animals, and plants. Create your own trail mix to enjoy on the trail. Learn about the importance of Leave No Trace and help Fenner Nature Center take care of their trails. Participants will receive the Trail Adventure Badge.

*This program will spark interest in the following career paths: ecologist, park ranger, explorer.*

### Trail Trekkers csa

Sun, Oct 23 | 2:00 to 4:00 p.m. | Lansing

Ready to get out on the trail? Get in touch with nature and learn the Leave No Trace principles on this outdoor adventure! Work together to chart your path through the system of trails, picking up knowledge for your next hike or campout all along the way. Find out about your local ecosystem and all the adventures you can have past where the pavement ends. Cadettes will work toward their Trailblazer and Eco-Trekker badges, everyone will work toward their Trail Adventure badges and receive a fun patch.

*This program will spark interest in the following career paths: ecologist, park ranger, explorer.*

### Let's Vote dbj

Wed, Nov 2 | 5:00 to 6:00 p.m. | Virtual

Do you want your voice to be heard? Did you know there's an election right around the corner? Find out all about your local, state, and federal government and how elections work. Practice your good citizenship and start your journey towards being a well-informed voter. *This program will spark the interests in the following career paths: policy expert, elected official.*

### Future Voters Workshop csa

Wed, Nov 2 | 6:30 to 8:00 p.m. | Virtual

Get ready for mid-terms (not the ones in school) and learn how governments and elections work. Just because you won't be able to cast a ballot for a few years doesn't mean you can't be an active citizen! Find out who is representing you on a local, state, and federal level and learn how you can affect policy decisions. **Note:** Girl Scouts will earn and receive the Democracy badge. Participants will receive a digital kit. *This program will spark the interests in the following career paths: policy expert, elected official.*

### fdbJcsa

f = family  
(the whole family is welcome!)

d = Daisy (grades K-1)

b = Brownie (grades 2-3)

J = Junior (grades 4-5)

c = Cadette (grades 6-8)

s = Senior (grades 9-10)

## Jubilee fdbjcsa

Sat, Nov 5 | 10:00 a.m. to 4:00 pm. | Kalamazoo

Kick off the 111<sup>th</sup> Year of Girl Scouts and our world-famous product program! Our Jubilee is a FUN family celebration that brings Girl Scouts and their families together from all over our council. As we journey through over a century of laughter, adventure, and friendship; we will showcase the Girl Scout know-how of leadership, drive, and courage. **All Girl Scouts and their families are invited for a celebration** of the Girl Scout Product Program. Get your passport stamped as you make your way through stations, activities, taste testing, and events. You'll also pick up your exclusive trading cards, available only through Girl Scouts Heart of Michigan.

## Badgefest: Automotive Engineering dbj

Sat, Nov 12 | 9:00 a.m. to 12:00 p.m. | Saginaw

Join us as we travel through the automotive engineering badges! Move through the engineering process as you, design and sketch your very own vehicle, learn about simple machines, prototypes and testing. Experience the manufacturing process and plan your own process to manufacture a set of vehicles! A big thank you to STEM @ SVSU, Nexteer Automotive and the Manufacturers Association for partnering with us for this program. **Note:** Girl Scouts will earn and receive the Automotive Engineering, Automotive Design and Automotive Manufacturing badges. Adult chaperones will be required.

## Michigan Capitol Tour fdbjcsa

Mon, Nov 14 | 4:00 to 5:00 p.m. | Lansing

Let's learn about our Capitol history, and what the Governor and senators do! Admire the hand-painted decorative art, and learn stories from Michigan's past. Learn what our government does for us and how you can help. While at the Capitol work on your democracy badge. **Note:** Participants will receive a fun patch. Adult chaperones will be required. *This program will spark the interests in the following career paths: elected official, tour guide, historian.*

## bjc

## Going Wild at the Creature Conservancy

Thu, Nov 17 | 5:45 to 7:30 p.m. | Ann Arbor

Come face-to-face with animals you don't get to see every day, like a sloth, a warthog, and an emu - you might even get to touch them! Learn about how critters adapt to their environment, what their habitats are like, and how they live at the Creature Conservancy. Ask animal professionals anything you want to know! **Note:** Girls must be at least 6 years old to attend this program. Juniors will earn and receive the Animal Habitats Badge after completing the program. All other grade levels will receive a fun patch. Adult chaperones will be required at this event but will not be participating. *This program will spark the interests in the following career paths: wildlife conservationist, veterinarian, vet tech, zoo worker, animal advocate*

## Jurassic World Live fdbjcsa

Sat, Nov 19 | 7:00 to 9:00 p.m. | Detroit

The Jurassic world comes to life in an action-packed, live arena show! Your trip to Isla Nublar takes a terrifying, unexpected turn when Indominus rex escapes and causes chaos in the park! **Note:** Participants will need to purchase a parking pass for this venue. *This program will spark interest in the following career paths: paleontologist.*

## Super Science Saturday:

## Space Science Adventurer b

Sat, Nov 19 | 9:00 a.m. to 12:00 p.m. | Portage

Whether you've searched for shooting stars or found shapes in clouds, you've probably already spent some time looking at the sky. Now's your chance to see the sky in a new way - like a space scientist does! Brownies will meet Earth's "neighbors" as they make a pocket solar system, take a virtual look at the stars and moon, learn about the phases of the moon, make a constellation viewer, and more! Participants will receive the Space Science Adventurer Badge. *This program will spark interest in the following career paths: astronaut, astronomy, aeronautic engineer*
