Please Remember:

Booth Sales give girls the opportunity to learn new skills, to promote Girl Scouts, live the Girl Scout Promise and Law, and to sell more Girl Scout Product. With this opportunity comes the responsibility to follow safety, public relations and business guidelines.

Please keep in mid that selling Girl Scout Product at a booth sale is a privilege granted to us by local businesses. This privilege, if abused even unintentionally, could cause ALL Girl Scouts to lose the opportunity for additional sales at these places of business. Please be considerate of the business' customers and property. If complaints arise, you may be asked to leave.
