## To place a pending order in eBudde

- Select “transactions” tab from the blue banner near the top of the page.
- Click “+Add”
- Choose “normal” for goal getters or “booth” for booth pick up. You will not use adjustment/return for any transactions. Checking out cookies is always “add product” as you are adding them to your troop.
- Select the cupboard where you will pick up, choose the date, and pick a time, if required.
- Once you have selected the quantities needed of each variety, be sure to press “Save.”

## RETURNS ALL TAKE PLACE ON MONDAY FOLLOWING PICK UP

Apple eBudde

## Download the eBudde App Today!

- Troops must download the eBudde app on their smartphones. This enables the Cupboard Manager to confirm whether your troop is eligible to receive cookies.
- The app is also required for our fully digital/paperless cupboards, including the Van Buren and Mason Cupboards.

Google eBudde

## Become a Cookie Pick Up Only User

- Due to time constraints, troops needing assistance picking up orders from a cupboard can designate a Caregiver as a Cookie Pick Up Only (CPUO) User in eBudde. This ensures the cupboard can verify that a trusted individual picks up the order.
- The CPUO user must download the eBudde app.
- To add a CPUO, the Troop Product Manager (TPM) must email the Help Desk at [helpdesk@gshom.org](mailto:helpdesk@gshom.org) at least four business days before the pick-up.
- Please note: These cookies remain the troop's responsibility. If used for goal-getters, TPMs must still complete the receipts.

## Girl Scouts Heart of Michigan Return Policy

- Girl Scout Cookies must be returned by the Monday following checkout. No exceptions.
- Troops can check out and return cookies by the case or individual packages.
- For each weekend transaction, troops may return up to 50% of the inventory checked out.
- Girl Scout Cookies must be free from damage (such as smoke, odor, water damage, or tears).
- If a Cupboard Manager determines a product is damaged upon return, they cannot issue credit to the troop, and the product will be returned to the troop.
