

Rallyhood Ecosystem:

What Rallys to Join & Where They Are

Rallyhood is our all-in-one communications platform where you can join the conversation and learn all about what is happening at Girl Scout Heart of Michigan. Meet other Girl Scout volunteers and families from across our council. Share great ideas, get support from council staff, and learn from your Girl Scout sisters on Rallyhood. **You'll be the first to know about Girl Scout events and opportunities when you join Rallyhood—find which Rallys to join below!
