Girl Scouts Heart of Michigan

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do;
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

Why Girl Scouts?

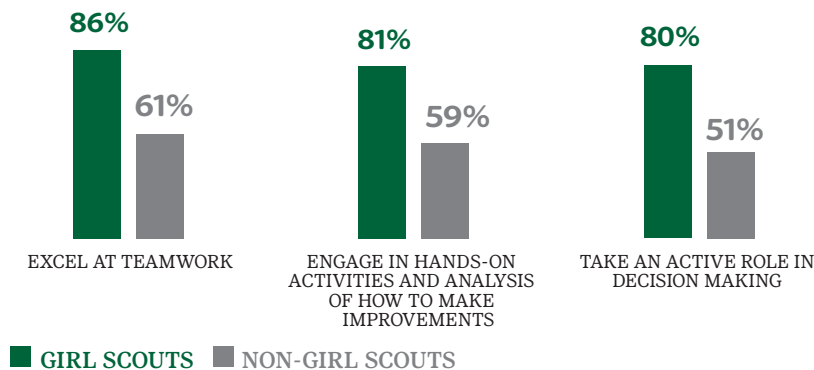

The world has changed, and so has Girl Scouts.

Today's Girl Scouts are more than you might imagine—Girl Scouts is a place where girls try new things in a safe, all-girl environment. Research finds that Girl Scouting is linked to success! Girl Scouts shine above their peers in leadership, academics, career aspirations, and hope for the future:

- Stronger leadership outcomes
- Ability to step outside comfort zones
- Build and manage healthy relationships
- Better civic engagement

Girl Scouts are self-starters!

They take the lead in their lives and it shows.

We are not your average after school activity—We are in the business of building the leaders of tomorrow.

Girl Scouting gives girls a distinct advantage:

50% of female business leaders were Girl Scouts.

80% of female tech leaders were Girl Scouts.

100% of female U.S. Secretaries of State were Girl Scouts.

76% of female U.S. Senators were Girl Scouts.

Girl Scouts is the premiere leadership experience for girls.

Period.

But what sets Girl Scouts apart?

Our research-backed and time-tested program model gives girls the bold advantages they need in life as they soar to achieve their greatest ambitions.

Built specifically with girls in mind, our program changes the lives of girls every day.

How?

The Three Processes:

Girl-Led

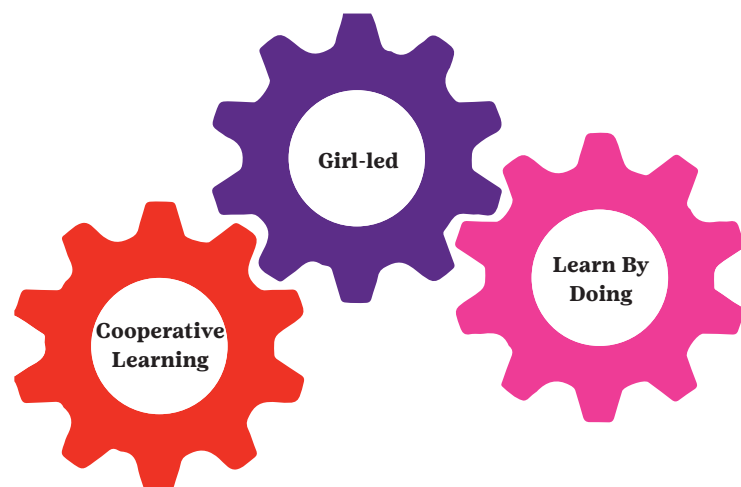

Girls create their own experience by asking questions, offering ideas, and making choices along the way.

Learn By Doing

Girls jump right in and learn while they try something out for the first time. Then, girls apply what they learn to other areas of their lives.

Cooperative Learning

Girls work alongside each other as they learn throughout their Girl Scout experience. This leads to lifelong, meaningful friendships, and builds critical communication skills.

What does this mean for girls?

Girl Scouts develop 15 critical outcomes as listed on page nine. All programs in this guide meet one or more of these outcomes. For example D1 refers to Discover 1: Develop a strong sense of self.

At Girl Scouts, girls build the confidence they need to achieve anything and everything that they want in life—**and that's what we do in Girl Scouts.**

Leadership

*This is the magic of a
girl-led metamorphosis.*

GIRL-LED

It's what sets Girl Scouts apart.

Nowhere else in the world is a girl given the power to craft her own experience from the get-go, even at the youngest of ages. This is the power of Girl Scouting. We believe that when you give a girl the chance to lead, she will step up to the challenge in a big and bold way—more than you might think possible.

Being girl-led means including girls in decision making at all times, in age appropriate ways. You might ask a Daisy (Kindergarten or first grade) Girl Scout if she wants a turkey sandwich or a tuna sandwich for lunch, while you might ask a Cadette (sixth through eighth grade) Girl Scout to create the family meal schedule for the week—and help you cook.

This is the magic of a girl-led metamorphosis.

Volunteer-led Troops

As our classic program model, volunteer-led troops allow girls to build lifelong friendships unlike any others. Girls learn incredible life skills, such as conflict management and how to become leaders among their peers.

Troop Leaders have the incredibly meaningful opportunity to facilitate a troop experience that will change girls' lives. Troop Leaders get to spend quality time with the girls, build girls' self-esteem, and empower them to achieve their goals. Volunteering for Girl Scouts is so unique because our program model is girl-led—meaning adults teach your girls to become leaders along the journey!

Ways to be a Girl Scout

Community Troops

At Girl Scouts Heart of Michigan, we are committed to providing all girls the opportunity to participate in Girl Scouts. If you happen to live in an area where we do not have enough volunteers to run a troop, no need to worry! You can still participate in a Community Troop. These troops are run by trained and caring staff who will bring Girl Scout fun directly to you during or after school, or at your community center. You and your troop will participate in all traditional Girl Scout activities, like working on badges and getting outdoors. While in a Community Troop, you will also focus on topics like peer pressure, conflict resolution, and STEAM (Science, Technology, Engineering, Arts, and Math).

Ways to be a Girl Scout

Girl Scout Juliettes

If you want to participate in Girl Scouts but think you are too busy, we have great news! The Juliette program is custom made for you, by you! Juliettes participate in all that Girl Scouts has to offer, but independently in terms to fit your life. As a Juliette, you'll build your own custom Girl Scouting experience. Along with an adult serving as your mentor, you can participate in everything open to Girl Scouts in your grade. Potential activities include: council-sponsored events, earning badges, attending overnight or day camp, serving with Mackinac Island Honor Guard, traveling, and participating in our world famous cookie program!

Juliette Monthly Meetings

During the monthly Zoom meetings, you will meet with other Juliettes throughout the council and learn about council-sponsored events, earn badges, and learn how to participate in product programs!

Ways to be a Girl Scout

Girl Scouting is a family affair.

Engaging in your girl's Girl Scout experience means that you'll get to know her friends and their parents, and create lifelong memories with your girl. She will look back on the incredible experience she's had with Girl Scouts, and recall you being right beside her.

Girl Scouts Heart of Michigan wants your family to take advantage of all the opportunities available to you and your girl! Families are encouraged to attend any program with a **letter "f"** in the program description. That means that everyone can attend: siblings, grandparents, aunts, uncles, you name it! All other events are designed for girls to attend with their troop, or individually with an adult (i.e., parent/guardian).

We know there are so many demands for your time, and that families have never been busier. The good news is that Girl Scouting will become part of your girl—and you can use the information in this book to help her gain all the bold advantages of Girl Scouting right from your home!

Girl Scout Camp

Many girls experience Girl Scouting for the first time during our summer camps. And when they discover how inviting and how much fun Girl Scouting is, they want to stay!

Girl Scouts Heart of Michigan runs overnight camps at Camps Merrie Woode, Linden, and O' the Hills, and day camp in Kalamazoo. Research points to the importance of the outdoors for girls. We encourage you and your girl to go outside and come back better.

Check out the camp section starting on page 28 for more information. Our summer overnight camp guide is published in late fall.

Hometown Heroes

One of the main pillars of Girl Scouting is giving back to your community, and the Hometown Heroes program is one of many ways to do this. When a customer donates a box of cookies or a package of nuts and candy to Hometown Heroes, you and our troop decide who will receive those items. In the past, cookies have been donated to front line workers, troops serving overseas, and homeless shelters. To participate in the Girl Scouts Heart of Michigan Hometown Heroes Program and give some local heroes a pleasant surprise, email helpdesk@gshom.org and let us know that you would like to be a part of our GSHOM Hometown Heroes delivery opportunity.

What Girl Scouts do.

Community Service/ Take Action

Community Service projects

Community service projects fill an immediate need in your community and helps girls learn the value of caring for others. This could mean collecting toys for children during the holidays, or serving weekly meals at a food bank or homeless shelter. Girl Scouts can participate in community service with their troop, individually, or through council programs. Many troops use proceeds from cookies, nuts, or candies to host a community service project.

“Take Action” projects

Take Action projects create a long term sustainable solution to a problem identified in your community. This can mean creating a community garden that the community can use to grow their own vegetables, instead of holding a onetime healthy food drive. The key to a Take Action project is that the project will continue to have impact even after you are no longer involved. Girl Scouts participate in Take Action projects when they complete Journeys and earn their Highest Awards.

Highest Awards

The Girl Scout Highest Awards are earned by working with a team to build a sustainable solution to a problem identified in your community. The Highest Awards focus on learning leadership skills and helping your community. Help make the world a better place by earning one of these awards! The Highest Awards are the Bronze Award, the Silver Award, and the Gold Award. See pages 43-44 for more detailed information.

What Girl Scouts do.

Girl Scouts travel the world! When traveling, you will learn about different people, cultures, and places. You have opportunities to travel with your troop, on Girl Scouts Heart of Michigan trips, and on Girl Scouts of the USA Destinations. On these trips, you can travel to Girl Scouts birthplace in Savannah, Georgia; to the four Girl Scout World Centers; or to other domestic and international destinations!

About every two years, Girl Scouts Heart of Michigan girls can take a leadership learning experience trip with our CEO. Past destinations have included Florida, Canada, Georgia; and in 2022, Paris, France! Girls learn elements of leadership and adaptability. The next CEO trip will be in 2024. The CEO trip—and every Girl Scout trip—epitomizes just what Girl Scouts can do!

Did you know?

The youngest Daisy Girl Scouts going on their first local field trip, are beginning a travel progression and a lifetime of adventure. By the time they are Cadettes, Senior, and Ambassadors, they'll be ready for an international trip with the CEO!

The travel progression:

- Local field trips
- Day trips
- Overnights
- Regional trips
- National trips
- International trips
- Independent trips

Trips are girl-led from the very start, from choosing a place to go, to deciding on a country to visit. Girl Scouts ready themselves for critical decision-making and the ability to think globally.

New Event Coming This Spring!

One of the best parts about Girl Scouting is the relationship girls build with other Girl Scouts both older and younger than them. This year, we are launching a special opportunity for younger and older girls to come together at camp! Older girls will have a chance to mentor younger girls and show them how fun Girl Scouting is as girls progress through the program, and younger girls will get to soak in the wisdom of older girls—while all girls build lifelong friendships and create memories to last a lifetime! Keep your eye out for programs coming in the Spring of 2023.

Girl Scout Traditions

Uniting trailblazers past and present.

Traditions connect Girl Scouts across the globe. They link current Girl Scouts to the trailblazers who came before them and remind them of the camaraderie that comes with a wide network of millions of fellow Girl Scouts and Girl Scout alums.

Traditions

Girl Scout sign: Girl Scouts make the Girl Scout sign—raising three fingers of the right hand with the thumb holding down the pinky—when they say the Girl Scout Promise. The three fingers represent the three parts of the Promise.

Motto: The Girl Scout motto is "Be prepared." In the 1947 Girl Scout Handbook, the motto was explained this way: "A Girl Scout is ready to help out wherever she is needed. Willingness to serve is not enough; you must know how to do the job well, even in an emergency." The same holds true today.

Slogan: The Girl Scout slogan is "Do a good turn daily." The slogan, which has been used since 1912, is a reminder that Girl Scouts can make a difference in big and small ways.

Greeting: Girl Scouts can greet one another with the Girl Scout handshake, used by Girl Scouts and Girl Guides all over the world. The handshake is made by shaking hands with the left hand and making the Girl Scout sign with the right. The left hand is nearer to the heart and signifies friendship.

Friendship Circle: Representing the unbroken chain of friendship among Girl Scouts and Girl Guides around the world, the Friendship Circle involves Girl Scouts standing in a circle, crossing their right arms over their left, and clasping hands with their friends on both sides. Everyone then makes a silent wish as a friendship squeeze is passed from hand to hand around the circle.

Bridging Kits

Moving up to the next Girl Scout grade level, called bridging, is an exciting milestone for Girl Scouts. They have the opportunity to speak with younger girls about their experience, as well as hearing from older girls about what they can expect. Bridging kits, given to girls by adult volunteers, include must-have items to help recognize and celebrate this achievement.

Each kit includes a Bridging Award Patch, Bridging Certificate, Membership Star and Disc, Bridging Pencil, and Bridging Patch. Additionally, kits for girls bridging to Girl Scout Brownies and Juniors include the Brownie Wings.

*Kits are available in your Girl Scouts Heart of Michigan Shop.
Prices vary per grade level.*
