

Product Program Updates

What's her goal?

A composite image showing Girl Scout products on the left (boxes of samosas, thin mints, and peanut butter trail mix) and a circular inset in the center showing a Girl Scout booth for Troop 50414 with people in costumes. To the right is a sign for "Disney ON BROADWAY" with text about a virtual experience and a Disney waterbottle prize.

Take a look below at how you can help and set her up for success!

Troop Leaders! Think outside the cookie box and look for locations where your troop could hold drive-through booth spots safely and conveniently. Churches, businesses closed for evenings and weekends, locations on busy roads, and schools can all be great drive-through locations. Don't forget to put your drive-through locations and neighborhood walkabouts in eBudde for approval.

New Girl Scout Book Club!

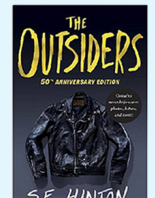

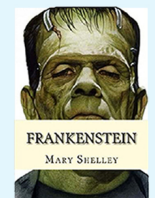

Our Stories

**Book Club Selections
January - March 2021**

Theme: Trailblazers

For this first quarter, we pay tribute to innovators, trailblazers, and change-makers who shaped their chosen genres or professions.

We'll read young adult novels and science fiction, hear from former GSUSA CEO Sylvia Acevedo and the First Lady of color, and learn about some little-known women who changed the world! Find the selection for your grade level at your local library or favorite bookseller.

 Daisies K - 1st	 Brownies 2nd - 3rd	 Juniors 4th - 5th
 Cadettes 6th-8th	 Seniors 9th-10th	 Ambassadors 11th-12th

The Write Now, Our Stories is for all levels of Girl Scouting, and every three months, girls will enjoy a new book featuring both classics and modern bestsellers chosen by other Girl Scouts! At the end of this quarter, everyone registered by March 8, 2021, will come together to discuss the books selected and what it inspired them to create! Plus, once girls sign-up, YpsiWrites and Maxine, from Troop 30606, will give girls the option to be paired up in a mini book club with another Girl Scout or troop to discuss your book selection throughout the three months.
