Adult Award Nominations Due January 15, 2020

Girl Scouts Heart of Michigan appreciates all the hard work and dedication our volunteers put forth every day for the council and the girls we serve. We want to recognize you for all of the effort and time you give and there is no better way than with an Adult Award! Nominations are due January 15, 2020 for volunteers to be recognized from the previous Girl Scout year (2018-2019 and before). **Who do you know that deserves formal recognition from Girl Scouts Heart of Michigan**

or Girl Scouts of the USA? Is it someone in your troop, school, area or someone who works throughout Girl Scouts Heart of Michigan? Do you know a Leader or Area Management Team Member who has gone above and beyond? Organize an Awards Committee in your area to complete nomination packets, and be sure to include girls and parents who may be interested in helping with nominations as well. Sometimes the girls and their parents see things that we don't that have made a huge difference for them in the Girl Scout program.

To nominate those people, you can find the award descriptions and nomination packets on our website.
